

MIKE HELFER'S 2019 BOYS BASKETBALL

TEAM CAMP

June 14th-15th, 2019

at VALDOSTA STATE UNIVERSITY

More info at www.helferbasketball.com

Play schedule will be determined on your classification in your state and how it relates to other teams, other states, and other divisions. We want to make camp fair to all participants!

The men's basketball staff at VSU is able to provide a unique TEAM CAMP experience. We allow you to choose from two options to suit your needs. With jobs, summer school, and money always an issue, this has been a great formula to get the experience essential for next season's success. This format gives a coach a chance to add another, longer

weekend already scheduled or as a mini-camp situation. If you stay overnight, your players can stay in one of our dorms for a nominal fee or you can make reservations at one of our local, budget-priced hotels. All meals are your responsibility. For more information, give us a call at (229) 333-5904.

Facilities...

All games will be played indoors within the VSU Complex, the Student Recreation Center, and Lowndes High School. These courts are where the VSU mens program practices and competes. Additionally, the Harlem Globetrotters have used the Arena as part of their national tour. All games will have certified officials and a scorekeeper/clock operator.

Mike Helfer, Camp Director...

Mike Helfer has put Valdosta State basketball on a national map after 14 years of continued success. This past season the Blazers finished 24-7 and won their 3rd consecutive GSC regular season championship. No program in the history of the GSC has accomplished that feat when all teams are in 1 division. Once again, VSU advanced to the NCAA tournament for the 7th time under Helfer. They have only played in a total of 11 NCAA tournaments in history. The VSU team camp is one of the best run camps in the Southeast and the coaching staff will make sure to address any concerns or questions during your week. We continue to have a GHSA official's camp running concurrent with our team camp to provide a true game-like environment. **We look forward to seeing you and your team this summer!**

Five-Star Referee Camp!

(GHSA Sanctioned)

In conjunction with the Team Camp, we will host the GHSA Sanctioned Five-Star Referee Camp. All Games will have certified officials and those officials will be evaluated on their performance.
